Subject: RE: [External] Duke Energy Rate Increases

Dear Jerry Copeland,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protestant File of the Dockets listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order
- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow the Dockets and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Dockets at the links listed below:

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

Subject: [External] Duke Energy Rate Increases

I am appalled that the commissioners have basically ignored the many hearings as to how the users of Duke Energy appear to be granting bias concessions to Duke. Everyone I have talked to agree that any rate increase approval whatsoever would be a real indication of the bias toward Duke Energy clients and even worse. Drug Companies increases are nothing compared to what Duke Energy is proposing. Perhaps a class action lawsuit would better serve the the clients
